* eForms releases for previous years may be purchased for one-half the current cost of the comparable item listed on this order form.

** Additional Shipping charges may be necessary; we will contact you for approval prior to shipping your order.

*** **Early Shipping Option:** Because CRA and MRQ forms and approvals may not be available until late December, the final version of eForms will not be shipped until the first week of January. If you prefer to receive a production version in early December, please check the Early Shipping Option. This version will be essentially complete, with the possible exception of some minor changes to the printed returns. It can be used to enter all your data, but we advise you to wait for the final release of the software before final printing or electronic filing of returns. You will be notified by email when the final release is available and you can download it from our web site at that time.
